Folk

Folk artist sampler

Don Campbell Band

A self-taught multi-instrumentalist and singer-songwriter, Don delivers the kind of music that sits right next to you on a long drive or joins you out on the porch for a tall lemonade.

Dave Gerard

Dave creates his own style from his love of New Orleans R&B, pop, blues, world music, and country-grass, to bring a well-rounded set of contemporary roots music to the stage.

Andy Happel

Accomplished composer and producer. Electrifying performer and instrumentalist. There are many labels and many titles to bestow upon Andy, but most know him simply as the guy who plays searing violin.

High Range

An energetic roots/folk/bluegrass group which highlights original music with a mix of cover songs on guitar, upright bass, mandolin, fiddle, banjo and drums.

Bill Staines

Weaving a magical blend of wit and gentle humor into his performances, Bill's music is a slice of Americana, reflecting with the same ease, his feelings about the prairie people of the Midwest or the adventurers of the Yukon.

Craig Werth

Craig's compositions explore topics ranging from natural wonders like whales, dinosaurs, and zucchinis to relationships, parenting, his Newfoundland heritage, and his Long Island and Catskill Mountain roots. He performs primarily with voice, guitars, bouzouki, and mountain dulcimer.
